Dear Allen:

I am sure you will remember the exchange of telegrams and correspondence you have had with Governor Dewey.

He originally agreed to meet with the Council late in November. On October 8th he wrote you stating: "I would feel much happier if I could put this talk off a month. I may be in much better situation a month from now than I think I will be but if we could discuss it around the first week in November I will then know pretty well where I am at. Would this kind of arrangement be possible?" In your letter of October 16th in reply you stated, "Let me take your suggestion to call you the first week in November to see how you then stand."

I wonder if you would feel like calling the Governor now or telegraphing him if you think that is the way to do it. The only weekday dates which would not be possible for us now would be Monday, November 26th, Thursday, November 29th, Monday, December 17th, and Tuesday, December 18th. Some others may, of course, close up in the fairly near future, but I can not at this point tell just which they will be. In any event, I will keep definitely open Tuesday, November 27th, Tuesday, December 11th, and Thursday, December 20th, in case you want to suggest these to him as possibilities. Thanks a lot.

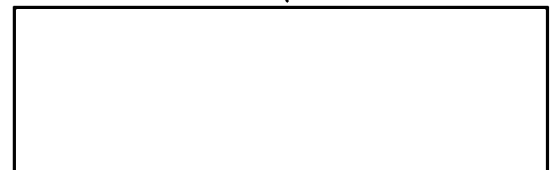

Very sincerely,

George
